

# Love Again – Dua Lipa

I never thought that I would find a way out  
I never thought I'd hear my heart beat so  
Loud  
I can't believe there's something left in  
My chest anymore  
But goddamn, you got me in love again  
I used to think that I was made out of stone  
I used to spend so many nights on my own  
I never knew I had it in me to dance anymore  
But goddamn, you got me in love again  
Show me that heaven's right here, baby  
Touch me, so I know I'm not crazy  
Never have I ever met somebody like you  
Used to be afraid of love and what it might  
Do  
But goddamn, you got me in love again  
You got me in love again  
You got me in love again  
You got me in love again  
Again  
So many nights, my tears fell harder than  
Rain  
Scared I would take my broken heart to the  
grave  
I'd rather die than have to live in a storm  
like before  
But goddamn, you got me in love again  
Show me that heaven's right here, baby  
Touch me, so I know I'm not crazy  
Never have I ever met somebody like you  
Used to be afraid of love and what it might  
Do  
But goddamn, you got me in love again  
You got me in love again  
You got me in love again  
You got me in love again

Again  
I can't believe, I can't believe  
I finally found someone  
I'll sink my teeth in disbelief  
'Cause you're the one that I want  
I can't believe, I can't believe  
I'm not afraid anymore  
Goddamn, you got me in love again  
La-la-la, la-la-la  
La-la-la, la-la-la  
I never thought that I would find a way out  
I never thought I'd hear my heart beat so  
Loud  
I can't believe there's something left  
in my chest anymore  
Oh, goddamn, you got me in love again  
We're in love  
We're in love  
We're in love  
We're in love (oh, oh, oh, oh)  
I can't believe, I can't believe  
I finally found someone  
I'll sink my teeth in disbelief  
'Cause you're the one that I want  
I can't believe there's something left  
Inside my chest anymore  
But goddamn, you got me in love again  
You got me in love again  
You got me in love again  
You got me in love again  
(Again, and again, and again, and again,  
And again)
