Needed Me – Rihanna

[Intro] Mustard on the beat ho!

I was good on my own That's the way it was That's the way it was You was good on the low For a faded fuck On some faded love Shit, what the fuck you complaining for? Feeling jaded, huh? Used to trip off that shit I was kickin' to you Had some fun on the run though I'll give it to you

But baby, don't get it twisted You was just another nigga on the hit list Tryna fix your inner issues with a bad bitch Didn't they tell you that I was a savage? Fuck ya white horse and ya carriage Bet you never could imagine Never told you you could have it

You needed me Oooh, you needed me To feel a little more, and give a little less Know you hate to confess But baby ooo, you needed me

You been rollin' around, shit I'm rollin' up Light and roll it up Break it down, like a pound, shit was never us Shit was never us That's the real, on the real, are you serious? How you feel, how you feel? Used to trip off that shit I was kickin' to ya Had some fun on the run though, I give it to ya But baby, don't get it twisted You was just another nigga on the hit list Tryna fix your inner issues with a bad bitch Didn't they tell you that I was a savage? Fuck ya white horse and ya carriage Bet you never could imagine Never told you you could have it

You needed me Oooh, you needed me To feel a little more, and give a little less Know you hate to confess But baby ooo, you needed me
