

# Here Without You – 3 Doors Down

A hundred days have made me older  
Since the last time that I saw  
your pretty face  
A thousand lies have made me colder  
And I don't think  
I can look at this the same  
But all the miles that separate  
Disappear now when when dreaming  
of your face  
I'm here without you, baby  
But you're still on my lonely mind  
I think about you baby  
And I dream about you all the time  
I'm here without you, baby  
But you're still with me in my dreams  
And tonight  
It's only you and me, yeah  
The miles just keep rolling  
As the people leave their way  
to say hello  
I've heard this life is overrated  
But I hope that it gets better as we go  
Ooh yeah, yeah  
I'm here without you, baby  
But you're still on my lonely mind  
I think about you, baby  
And I dream about you all the time  
I'm here without you, baby  
But you're still with me in my dreams  
And tonight, girl, it's only you and me  
Everything I know  
And anywhere I go  
It gets hard, but it won't take  
away my love  
And when the last one falls  
When it's all said and done

It gets hard, but it won't take  
away my love  
Whoh ooh ooh  
I'm here without you, baby  
But you're still on my lonely mind  
I think about you, baby  
And I dream about you all the time  
I'm here without you, baby  
But your still with me in my dreams  
And tonight girl  
It's only you and me, yeah  
Oh, yeah  
Ooh oh
