

# Almost Lover – A Fine Frenzy

Your fingertips across my skin  
The palm trees swaying in the wind, images  
You sang me Spanish lullabies  
The sweetest sadness in your eyes, clever trick

Well, I'd never want to see you unhappy  
I thought you'd want the same for me

Goodbye, my almost lover  
Goodbye, my hopeless dream  
I'm trying not to think about you  
Can't you just let me be?

So long, my luckless romance  
My back is turned on you  
Should've known you'd bring me heartache  
Almost lovers always do

We walked along a crowded street  
You took my hand and danced with me in the shade  
And when you left you kissed my lips  
You told me you would never ever forget these images, no

Well, I'd never want to see you unhappy  
I thought you'd want the same for me

Goodbye, my almost lover  
Goodbye, my hopeless dream  
I'm trying not to think about you  
Can't you just let me be?

So long, my luckless romance  
My back is turned on you  
Should've known you'd bring me heartache  
Almost lovers always do

I cannot go to the ocean  
I cannot try the streets at night  
I cannot wake up in the morning  
Without you on my mind

So you're gone and I'm haunted  
And I bet you are just fine  
Did I make it that easy to walk  
Right in and out of my life?

Goodbye, my almost lover  
Goodbye, my hopeless dream  
I'm trying not to think about you  
Why can't you just let me be?

So long, my luckless romance  
My back is turned on you  
Should've known you'd bring me heartache  
Almost lovers always do
