Honey, Honey - ABBA

Honey honey, How you thrill me, a-ha, honey honey Honey honey, Nearly kill me, a-ha, honey honey I'd heard about you before I wanted to know some more And now I know what they mean, You're a love machine Oh, you make me dizzy Honey honey, Let me feel it, a-ha, honey honey Honey honey, Don't conceal it, a-ha, honey honey The way that you kiss good night The way that you hold me tight I feel like I wanna sing when you do your thing I don't wanna hurt you baby, I don't wanna see you cry So stay on the ground girl, You better not get too high But I'm gonna stick to you boy, You'll never get rid of me There's no other place in this world where I rather would be Honey honey, Touch me baby, a-ha, honey honey Honey honey, Hold me baby, a-ha, honey honey You look like a movie star But I know just who you are And honey, to say the least, You're a doggone beast So stay on the ground girl, You better not get too high There's no other place in this world where I rather would be
Honey honey,
How you thrill me, a-ha, honey honey
Honey honey,
Nearly kill me, a-ha, honey honey
I'd heard about you before
I wanted to know some more
And now I know what they mean,
You're a love machine Oh, you make me dizzy
