

I have a dream – ABBA

I Have a Dream, a song to sing
To help me cope, with anything
If you see the wonder, of a fairy tale
You can take the future, even if you fail
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream, I Have a Dream
I Have a Dream, a fantasy
To help me through, reality
And my destination, makes it worth the while
Pushin' through the darkness, still another
Mile
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream, I Have a Dream
I'll cross the stream, I Have a Dream
I Have a Dream, a song to sing
To help me cope, with anything
If you see the wonder, of a fairy tale
You can take the future, even if you fail
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream, I Have a Dream
I'll cross the stream, I Have a Dream
