My Love, My Life - ABBA

I've seen it on your face Tells me more than any worn-out old phrase So now we'll go separate ways Never again we two Never again, nothing I can do Like an image passing by My love, my life In the mirror of your eyes My love, my life I can see it all so clearly (see it all so Clearly) Answer me sincerely (answer me sincerely) Was it a dream, a lie? Like reflections of your mind My love, my life Are the words you try to find My love, my life But I know I don't possess you So go away, God bless you You are still my love and my life Still my one and only I've watched you look away Tell me, is it really so hard to say? Oh, this has been my longest day Sitting here close to you Knowing that maybe tonight we're through Like an image passing by My love, my life In the mirror of your eyes My love, my life I can see it all so clearly (see it all so Clearly) Answer me sincerely (answer me sincerely) Was it a dream, a lie?

Like reflections of your mind

My love, my life

Are the words you try to find My love, my life But I know I don't possess you So go away, God bless you You are still my love and my life Still my one and only
