

Can I Get It – Adele

Pave me a path to follow
And I'll tread any dangerous road
I will beg and I'll steal, I will borrow
If I can make, if I can make your
Heart my home
Throw me to the water (yeah, yeah)
I don't care how deep or shallow (yeah)
Because my heart
Can pound like thunder (yeah)
And your love, and your love can
Set me free (yeah)
I have promised
I will love you 'til the end of time
Through it all, the good, the bad, the ugly,
And divine
I will be the melody, the rhythm,
And your rhyme
All I want is for you to be mine
So can I get it right now? Mh
Can I get it right now? (Can I get it?)
Can I get it right now?
Can I get it right now?
Let me, let me just come and get it
Can I get it?
You tease me with your control (yeah)
Because I long to live
Under your spell (yeah)
And without your love I'm hollow (yeah)
I won't make it,
I won't make it on my own (yeah)
I have promised
I will love you
'til the end of time (end of time)
Through it all, the good, the bad, the ugly,
And divine (the divine)
I will be the melody, the rhythm,

And your rhyme (mhm)
All I want is for you to be mine
So can I get it right now? Mh
Can I get it right now? (Can I get it?)
Can I get it right now?
Can I get it right now?
Let me, let me just come and get it
Can I get it?
When will you run with me?
Like I know you wanna?
(Like you want to, like you want)
You're the one for me
And I'm counting on you (on you)
To put the pieces of me back together
So can I get it right now? Mh
Can I get it right now? Mhm
Can I get it right now?
Can I get it right now?
Let me, let me just come and get it
