## Easy on me - Adele

There ain't no gold in this river That I been washin' my hands in forever I know there is hope in these waters But I can't bring myself to swim When I am drownin' in the silence Baby, let me in Go easy on me, baby I was still a child Didn't get the chance to Feel the world around me I had no time to choose what I chose to do So go easy on me There ain't no room for our things to change When we are both so deeply stuck in our ways You can't deny how hard I've tried I changed who I was to put you both first But now I give up Go easy on me, baby I was still a child Didn't get the chance to Feel the world around me Had no time to choose what I chose to do So go easy on me I had good intentions And the highest hopes But I know right now It probably doesn't even show Go easy on me, baby I was still a child I didn't get the chance to Feel the world around me I had no time to choose what I chose to do

So go easy on me
