

# Set fire to the rain – Adele

I let it fall, my heart  
And as it fell, you rose to claim it  
It was dark, and I was over  
Until you kissed my lips and you saved me

My hands, they were strong  
But my knees were far too weak  
To stand in your arms  
Without fallin' to your feet

But there's a side to you  
That I never knew, never knew  
All the things you'd say  
They were never true, never true  
And the games you'd play  
You would always win, always win

But I set fire to the rain  
Watched it pour as I touched your face  
Let it burn while I cried  
'Cause I heard it screamin' out your name, your name

When I lay with you  
I could stay there, close my eyes  
Feel you here forever  
You and me together, nothing is better

'Cause there's a side to you  
That I never knew, never knew  
All the things you'd say  
They were never true, never true  
And the games you'd play  
You would always win, always win

But I set fire to the rain  
Watched it pour as I touched your face

Let it burn while I cried  
'Cause I heard it screamin' out your name, your name

I set fire to the rain  
And I threw us into the flames  
When we fell, something died  
'Cause I knew that that was the last time, the last time

Sometimes, I wake up by the door  
That heart you caught must be waiting for you  
Even now when we're already over  
I can't help myself from looking for you

I set fire to the rain  
Watched it pour as I touched your face  
Let it burn while I cried  
'Cause I heard it screamin' out your name, your name

I set fire to the rain  
And I threw us into the flames  
When we fell, something died  
'Cause I knew that that was the last time, the last time

Let it burn...  
Let it burn...
