

# Lost control – Alan Walker

Ummm, yea  
Mirrors they never lie  
Don't see myself inside  
Why can't I get it right?  
I don't know  
You're always watching me fall  
Shadows they like my wall  
Why do I feel so small?  
I don't know

So I walk into the dead of night  
Where my monsters like to hide  
Chaos feels so good inside  
Now I know

I've lost, I've lost  
I've lost control again  
Always do the same and not to blame  
I've lost control again  
I don't, I don't  
I don't know who I am  
Always do the same and not to blame  
I've lost control again  
Ooh

Tired of being afraid  
But lately, I've lost my faith  
What is love without pain, it ain't home  
You're watching me but I'm below  
When I get caught I hope  
This is kinda like how they will  
Take me home

So I walk into the dead of night  
Where my monsters like to hide  
Chaos feels so good inside

Now I know

I've lost, I've lost  
I've lost control again  
Always do the same and not to blame  
I've lost control again  
I don't, I don't  
I don't know who I am  
Always do the same and not to blame  
I've lost control again

I know that I'm a mess  
But I ain't trying to be the best  
Oh, whatever's coming next  
I better pray-ay-ay-ay  
Never said I was an angel  
I am damaged all the way  
So whatever's coming next  
I better pray-ay-ay-ay

I've lost, I've lost  
I've lost control again  
Always do the same and not to blame  
I've lost control again  
I don't, I don't  
I don't know who I am  
Always do the same and not to blame  
I've lost control again
