## Girl on Fire - Alicia Keys

She's just a girl and she's on fire Hotter than a fantasy, lonely like a highway She's living in a world and it's on fire Filled with catastrophe, but she knows she can find a way

Oooo o o o o
She got both feet on the ground
And she's burning it down
Oooo o o o o
She got her head in the clouds
And she's not backing down

This girl is on fire This girl is on fire She's walking on fire This girl is on fire

Looks like a girl, but she's a flame
So bright, she can burn your eyes
Better look the other way
You can try but you'll never forget her name
She's on top of the world
Hottest of the hottest girls say

Oooo o o o o
We got our feet on the ground
And we're burning it down
Oooo o o o o
Got our head in the clouds
And we're not coming down

This girl is on fire This girl is on fire She's walking on fire This girl is on fire Everybody stares, as she goes by
'Cause they can see the flame that's in her eyes
Watch her when she's lighting up the night
Nobody knows that she's a lonely girl
And it's a lonely world
But she gon' let it burn, baby, burn, baby

This girl is on fire This girl is on fire She's walking on fire This girl is on fire
