If I ain't got you - Alicia Keys

Some people live for the fortune
Some people live just for the fame
Some people live for the power, yeah
Some people live just to play the game
Some people think that the physical things define what's within
And I've been there before but that life's a bore, so full of the superficial

Some people want it all
But I don't want nothing at all
If it ain't you baby
If I ain't got you baby
Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got you, yeah

Some people search for a fountain
The promise is forever young
Some people need three dozen roses
And that's the only way to prove you love them
Hand me the world on a silver platter
And what good would it be
With no-one to share with, no-one who truly cares for me

Some people want it all
But I don't want nothing at all
If it ain't you baby
If I ain't got you baby
Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got you, you, you

Some people want it all But I don't want nothing at all If it ain't you baby If I ain't got you baby Some people want diamond rings Some just want everything But everything means nothing If I ain't got you, yeah

If I ain't got you with me, baby, ohh...
Say nothing in this whole wide world don't mean a thing
If I ain't got you with me, baby
