

# Complicated – Avril Lavigne

Uh huh, life's like this  
Uh huh, uh huh, that's the way it is  
Cause life's like this  
Uh huh, uh huh that's the way it is

Chill out whatcha yelling' for?  
Lay back it's all been done before  
And if you could only let it be  
You will see  
I like you the way you are  
When we're drivin' in your car  
And you're talking to me one on one but you've become  
Somebody else round everyone else  
You're watching your back like you can't relax  
You're tryin' to be cool you look like a fool to me

Tell me  
Why you have to go and make things so complicated?  
I see the way you're  
Acting like you're somebody else gets to me frustrated  
Life's like this you  
And you fall and you crawl and you break  
And you take what you get and you turn it into  
Honestly and promise me I'm never gonna find you fake it  
No no no

You come over unannounced  
Dressed up like you're somethin' else  
Where you are and where it's at you see  
You're making me  
Laugh out when you strike your pose  
Take off all your preppy clothes  
You know you're not fooling anyone  
When you've become  
Somebody else round everyone else  
Watching your back, like you can't relax

Trying to be cool you look like a fool to me

Tell me

Why you have to go and make things so complicated?

I see the way you're

Acting like you're somebody else gets to me frustrated

Life's like this you

And you fall and you crawl and you break

And you take what you get and you turn it into

Honestly and promise me I'm never gonna find you fake it

No no no

Chill out whatcha yelling for?

Lay back, it's all been done before

And if you could only let it be

You will see

Somebody else round everyone else

You're watching your back, like you can't relax

You're trying to be cool, you look like a fool to me

Tell me

Why you have to go and make things so complicated?

I see the way you're

Acting like you're somebody else gets to me frustrated

Life's like this you

And you fall and you crawl and you break

And you take what you get and you turn it into

Honestly and promise me I'm never gonna find you fake it

No no no

Tell me

Why you have to go and make things so complicated?

I see the way you're

Acting like you're somebody else gets to me frustrated

Life's like this you

And you fall and you crawl and you break

And you take what you get and you turn it into

Honestly and promise me I'm never gonna find you fake it

No no no
