

I Fell In Love With The Devil – Avril Lavigne

Shot guns and roses
Make a deadly potion
Heartbreak explosions
In reckless motion
Teddy bears and I'm sorry letters
Don't seem to make things better
Don't bury me alive
Sweet talkin' alibi
But I can't stop the rush
And I can't give you up
No I know you're no good for me
You're no good for me
I fell in love with the Devil
And now I'm in trouble
I fell in love with the Devil
I'm underneath his spell (Oh)
Someone send me an angel
To lend me a halo
I fell in love with the Devil
Please save me from this hell (Oh)
Got me playin' with fire (Playin' with fire)
Baby hand me the lighter (Hand me the lighter)
Tastes just like danger
(Tastes just like danger)
Chaotic anger
But I can't stop the rush
And I can't give you up
No I know you're no good for me
You're no good for me
I fell in love with the devil
And now I'm in trouble
I fell in love with the Devil
I'm underneath his spell (Oh)
Someone send me an angel
To lend me a halo
I fell in love with the Devil

Please save me from this hell (Oh)
Angels and Devils always fight over me
(Fight over me)
Take me to heaven
Wake me up from this dream
Even in sunlight
Clouds shadow over me (Shadow on me)
It's now or never, wake me up from this dream
I fell in love with the Devil
And now I'm in trouble
I fell in love with the Devil
I'm underneath his spell
Someone send me an angel
To lend me a halo
I fell in love with the Devil
Please save me from this hell (This hell)
Dig deep, six feet
Dig deep, it's killin' me
I fell in love with the Devil
Dig deep, six feet
Dig deep
It's killin' me
