

# Nobody's Home – Avril Lavigne

Well, I couldn't tell you why she felt that way  
She felt it everyday  
And I couldn't help her  
I just watched her make the same mistakes again

What's wrong, what's wrong now  
Too many, too many problems  
Don't know where she belongs  
Where she belongs

She wants to go home but nobody's home  
That's where she lies broken inside  
With no place to go, no place to go  
To dry her eyes broken inside

Open your eyes and look outside  
Find the reasons why  
You've been rejected  
And now you can't find what you've left behind

Be strong, be strong now  
Too many, too many problems  
Don't know where she belongs  
Where she belongs

She wants to go home but nobody's home  
That's where she lies broken inside  
With no place to go, no place to go  
To dry her eyes broken inside

Her feelings she hides, her dreams she can't find  
She's losing her mind, she's falling behind  
She can't find her place, she's losing her faith  
She's falling from grace, she's all over the place, yeah

She wants to go home but nobody's home

That's where she lies broken inside  
With no place to go, no place to go  
To dry her eyes broken inside

She's lost inside, lost inside, oh oh  
She's lost inside, lost inside, oh oh yeah
