Nobody's Home - Avril Lavigne

Well, I couldn't tell you why she felt that way
She felt it everyday
And I couldn't help her
I just watched her make the same mistakes again

What's wrong, what's wrong now Too many, too many problems Don't know where she belongs Where she belongs

She wants to go home but nobody's home That's where she lies broken inside With no place to go, no place to go To dry her eyes broken inside

Open your eyes and look outside Find the reasons why You've been rejected And now you can't find what you've left behind

Be strong, be strong now Too many, too many problems Don't know where she belongs Where she belongs

She wants to go home but nobody's home That's where she lies broken inside With no place to go, no place to go To dry her eyes broken inside

Her feelings she hides, her dreams she can't find She's losing her mind, she's falling behind She can't find her place, she's losing her faith She's falling from grace, she's all over the place, yeah

She wants to go home but nobody's home

That's where she lies broken inside With no place to go, no place to go To dry her eyes broken inside

She's lost inside, lost inside, oh oh She's lost inside, lost inside, oh oh yeah
