

Can't Live Without You – Bad Boys Blue

My feeling for you
Are solid and strong
I know from my heart
To whom I belong
This beautiful feeling
It can't be wrong
Oh no
Coz head over heels
I'm fallin' for you
And there is nothing
That I wouldn't do
Rather than give my love to you
Can't live without you
Can't live without you
I think about you ev'ry night ev'ry day
Can't live without you
Now that I found you
I need you right here in my arms to stay
This love is forever
There is nothing better
This feeling you're giving
Is sent down from heaven
When we are together
There is nothing better
I want you so badly
And give my heart gladly
Only to you
I'll promise to you
You're safe in my heart
I've locked you inside
Right from the start
My heart is a place
Created for you
That's true
Wherever you go
I will be there

If ever you need me
I take good care
That no one can hurt you
Baby I swear
Can't live without you
Can't live without you
I think about you ev'ry night ev'ry day
Can't live without you
Now that I found you
I need you right here in my arms to stay
This love is forever
There is nothing better
This feeling you're giving
Is sent down from heaven
When we are together
There is nothing better
I want you so badly
And give my heart gladly
Only to you
Can't live without you
Can't live without you
I think about you ev'ry night ev'ry day
Can't live without you
Now that I found you
I need you right here in my arms to stay
Can't live without you
Can't live without you
I think about you ev'ry night ev'ry day
Can't live without you
Now that I found you
I need you right here in my arms to stay
This love is forever
There is nothing better
This feeling you're giving
Is sent down from heaven
When we are together
There is nothing better
I want you so badly
And give my heart gladly

Only to you
Can't live without you
