

# Sandcastles – Beyoncé

We build sand castles  
That washed away  
I made you cry  
When I walked away  
And although I promised  
That I couldn't stay  
Every promise don't work out that way  
Every promise don't work out that way

Dishes smashed on my counter  
From our last encounter  
Pictures snatched out the frame  
Bitch I scratched out your name  
And your face  
What is it about you?  
That I can't erase baby  
When every promise don't work out that way  
No no baby  
When every promise don't work out that way

And your heart is broken  
Cause I walked away  
Show me your scars  
And I won't walk away  
And I know I promised that I couldn't stay  
Every promise don't work out that way  
Every promise don't work out that way
