Just the two of us - Bill Withers

I see the crystal raindrops fall And the beauty of it all Is when the sun comes shining through To make those rainbows in my mind When I think of you sometime And I wanna spend some time with you Just the two of us We can make it if we try Iust the two of us Iust the two of us Iust the two of us Building castles in the sky Iust the two of us You and I We look for love no time for tears Wasted water's all that is And it don't make no flowers grow Good things might come to those who wait Not for those who wait too late We gotta go for all we know Just the two of us We can make it if we try Iust the two of us Iust the two of us Just the two of us Building them castles in the sky Iust the two of us You and I I hear the crystal raindrops fall On the window down the hall And it becomes the morning dew And darling when the morning comes And I see the morning sun I wanna be the one with you Iust the two of us

We can make it if we try

Just the two of us
Just the two of us
Just the two of us
Building big castles way on high
Just the two of us
You and I
