Just The Way You Are - Billy Joel

Don't go changing to try and please me You never let me down before, mmm Don't imagine you're too familiar And I don't see you anymore I would not leave you in times of trouble We never could have come this far, mmm I took the good times, I'll take the bad times I'll take you just the way you are Don't go trying some new fashion Don't change the color of your hair, mmm You always have my unspoken passion Although I might not seem to care I don't want clever conversation I never want to work that hard, mmm I just want someone that I can talk to I want you just the way you are I need to know that you will always be The same old someone that I knew Oh, but what will it take till you believe in me The way that I believe in you? I said I love you, that's forever And this I promise from the heart, mmm I couldn't love you any better I love you just the way you are, right I don't want clever conversation I never want to work that hard, mmm I just want someone that I can talk to I want you just the way you are
