

# Can't make you love me – Britney Spears

I'm just a girl with a crush on you  
Don't care about money  
It doesn't give me half the thrill  
To the thought of you, honey  
So tell me that you want me still  
If only I could trade the fancy cars  
For a chance today, it's incomparable  
I might be sitting with the movie stars  
Everybody say that I have it all  
But I can't make you love me  
Is it my life or the things I do?  
Can't make you love me  
I'm just a girl with a crush on you  
I have been through changes, yeah  
But I'm still the girl you used to know  
It's made me no different  
So tell me why you had to go  
Oh baby, I will trade the fancy cars  
For a chance today, it's incomparable  
I might be sitting with the movie stars  
Everybody say that I just have it all  
But I can't make you love me  
Is it my life or the things I do?  
Can't make you love me  
I'm just a girl with a crush on you  
Just the thought of being close to you  
It's incomparable  
Should be happy with the life I live  
And the things I do  
Seems like I have it all  
Can't make you, make you love me baby  
It's my life, what can I do?  
Can't make you love me, alright  
I'm just a girl with a crush on you  
But I can't make you love me  
Is it my life or the things I do?

Can't make you love me  
I'm just a girl with a crush on you  
I'm just a girl with a crush on you
