## Girl in the mirror – Britney Spears

There's a girl in the mirror I wonder who she is Sometimes I think I know her Sometimes I really wish I did There's a story in her eyes Lullabies and goodbyes When she's looking back at me I can tell her heart is broken easily

'Cause the girl in my mirror Is crying out tonight And there's nothing I can tell her To make her feel alright Oh the girl in my mirror Is crying 'cause of you And I wish there was something Something I could do

If I could I would tell her Not to be afraid The pain that she's feeling The sense of loneliness will fade So dry your tears and rest assured Love will find you like before When she's looking back at me I know nothing really works that easily

'Cause the girl in my mirror Is crying out tonight And there's nothing I can tell her To make her feel alright Oh the girl in my mirror Is crying 'cause of you And I wish there was something I wish there was something Oh I wish there was something I could do

I can't believe it's what I see That the girl in the mirror The girl in the mirror Is me

I can't believe what I see (no) (The girl in my mirror) The girl in my mirror is me Ohhis me

'Cause the girl in my mirror Is crying out tonight And there's nothing I can tell her To make her feel alright Oh the girl in my mirror Is crying 'cause of you I wish there was something I wish there was something Oh I wish there was something I could do
