## Heaven – Bryan Adams

Oh thinkin' about all our younger years There was only you and me We were young and wild and free

Now nothin' can take you away from me We've been down that road before But that's over now You keep me comin' back for more

Baby, you're all that I want When you're lyin' here in my arms I'm findin' it hard to believe We're in heaven

And love is all that I need And I found it there in your heart It isn't too hard to see We're in heaven

Oh once in your life you find someone Who will turn your world around Bring you up when you're feelin' down

Yeah nothin' could change what you mean to me Oh there's lots that I could say But just hold me now 'Cause our love will light the way

And baby, you're all that I want When you're lyin' here in my arms I'm findin' it hard to believe We're in heaven

Yeah and love is all that I need And I found it there in your heart It isn't too hard to see We're in heaven, yeah

I've been waitin' for so long For somethin' to arrive For love to come along

Now our dreams are comin' true Through the good times and the bad Yeah I'll be standin' there by you

And baby, you're all that I want When you're lyin' here in my arms I'm findin' it hard to believe We're in heaven

And love is all that I need And I found it there in your heart It isn't too hard to see We're in heaven, heaven, oooh You're all that I want You're all that I need
