## Please Forgive Me - Bryan Adams

It still feels like our first night together Feels like the first kiss It's getting better baby No one can better this Still holding on You're still the one First time our eyes met Same feeling I get Only feels much stronger I want to love you longer Do you still turn the fire on? So if you're feeling lonely, don't You're the only one I'll ever want I only want to make it good So if I love you, a little more than I should Please forgive me, I know not what I do Please forgive me, I can't stop loving you Don't deny me, this pain I'm going through Please forgive me, if I need you like I do Please believe me, every word I say is true Please forgive me, I can't stop loving you Still feels like our best times are together Feels like the first touch We're still getting closer baby Can't get closer enough Still holding on You're still number one I remember the smell of your skin I remember everything I remember all your moves I remember you yeah I remember the nights, you know I still do So if you're feeling lonely, don't You're the only one I'll ever want I only want to make it good

So if I love you a little more than I should

Please forgive me, I can't stop loving you Don't deny me, this pain I'm going through Please forgive me, if I need you like I do Please believe me, every word I say is true Please forgive me, I can't stop loving you The one thing I'm sure of Is the way we make love The one thing I depend on Is for us to stay strong With every word and every breath I'm praying That's why I'm saying, Please forgive me, I know not what I do Please forgive me, I can't stop loving you Don't deny me, this pain I'm going through Please forgive me, if I need you like I do Babe believe it, every word I say is true Please forgive me, if I can't stop loving you No, believe me, I don't know what I do Please forgive me, I can't stop loving you I can't stop, loving you

Please forgive me, I know not what I do
