

# One Kiss – Calvin Harris, Dua Lipa

Let me take the night, I love real easy  
And I know that you'll still wanna see me  
On the Sunday morning, music real loud  
Let me love you while the moon is still out

Something in you  
Lit up heaven in me  
The feeling won't let me sleep  
'Cause I'm lost in  
The way you move, the way you feel

One kiss is all it takes  
Fallin' in love with me  
Possibilities I look like all you need  
One kiss is all it takes  
Fallin' in love with me  
Possibilities I look like all you need

I just wanna feel your skin on mine  
Feel your eyes do the exploring  
Passion in the message when you smile  
Take my time

Something in you  
Lit up heaven in me  
The feeling won't let me sleep  
'Cause I'm lost in  
The way you move, the way you feel

One kiss is all it takes  
Fallin' in love with me  
Possibilities I look like all you need  
One kiss is all it takes  
Fallin' in love with me  
Possibilities I look like all you need

See a wonderland in your eyes  
Might need your company tonight

Something in you  
Lit up heaven in me  
The feeling won't let me sleep  
'Cause I'm lost in  
The way you move, the way you feel

One kiss is all it takes  
Fallin' in love with me  
Possibilities I look like all you need  
One kiss is all it takes  
Fallin' in love with me  
Possibilities I look like all you need
