## When I fall in love – Celine Dion

When I fall in love It will be forever Or I'll never fall in love In a restless world Like this is Love is ended before it's begun And too many moonlight kisses Seem to cool in the warmth of the sun When I give my heart It will be completely Or I'll never give my heart And the moment I can feel that You feel that way too Is when I'll fall in love With you When I fall in love It will be forever Or I'll never fall in love In a restless world Like this is Love is ended before it's begun And too many moonlight kisses Seem to cool in the warmth of the sun When I give my heart It will be completely Or I'll never give my heart And the moment I can feel that You feel that way too Is when I'll fall in love When I fall in love When I fall in love with you
