

Hurt – Christina Aguilera

Seems like it was yesterday when I saw your face
You told me how proud you were but I walked away
If only I knew what I know today, ohh, ohh

I would hold you in my arms, I would take the pain away
Thank you for all you've done, forgive all your mistakes
There's nothing I wouldn't do to hear your voice again
Sometimes I want to call you but I know you won't be there

Oh, I'm sorry for blaming you
For everything I just couldn't do
And I've hurt myself by hurting you

Some days I feel broke inside but I won't admit
Sometimes I just want to hide 'cause it's you I miss
And it's so hard to say goodbye when it comes to this, ohh

Would you tell me I was wrong? Would you help me understand?
Are you looking down upon me? Are you proud of who I am?
There's nothing I wouldn't do to have just one more chance
To look into your eyes and see you looking back

Oh, I'm sorry for blaming you
For everything I just couldn't do
And I've hurt myself, oh

If I had just one more day
I would tell you how much that I've missed you
Since you've been away

Oh, it's dangerous
It's so out of line
To try to turn back time

I'm sorry for blaming you
For everything I just couldn't do

And I've hurt myself
By hurting you
