

You Lost Me – Christina Aguilera

I am done
Smoking gun
We've lost it all
The love is gone

She has won
Now its no fun
We've lost it all
The love is gone

And we had magic
And this is tragic
You couldn't keep your hands to yourself

I feel like our world's been infected,
And somehow you left me neglected
We've found our life's been changed
Babe, you lost me

And though we tried
Oh how we cried
We lost ourselves
The love has died

And though we tried
You can't deny
We're left as shells
We lost the fight

And we had magic
And this is tragic
You couldn't keep your hands to yourself

Oh, I feel like our world's been infected
And somehow you left me neglected
We've found our life's been changed

'Cause babe, you lost me

Now I know you're sorry

And we were sweet

But you chose lust when you deceived me

And you'll regret it, but it's too late

How can I ever trust you again?

I feel like our world's been infected,

And somehow you left me neglected

We've found our life's been changed

Oh babe, you lost me
