

Always in my head – Coldplay

I think of you
I haven't slept
I think, I do
But, I don't forget
My body moves
Goes where I will
But though I try my heart stays still
It never moves
Just won't be led
And so my mouth waters, to be fed
And you're always in my head
You're always in my head
You're always in my head
You're always in my head
You're always in my head
Always in my head
Always in my
This, I guess
Is to tell you, you're chosen
Out from the rest
