## Happier – Ed Sheeran

Walking down 29th and Park I saw you in another's arms Only a month we've been apart You look happier

Saw you walk inside a bar He said something to make you laugh I saw that both your smiles Were twice as wide as ours, yeah You look happier, you do

Ain't nobody hurt you like I hurt you But ain't nobody love you like I do Promise that I will not take it personal Baby If you're moving on with someone new

'Cause baby you look happier, you do My friends told me one day I'll feel it too And until then I'll smile to hide the truth But I know I was happier with you

Hey yeah hey yeah hey yeah

Sat on the corner of the room Everything's reminding me of you Nursing an empty bottle And telling myself you're happier Aren't you?

Ain't nobody hurt you like I hurt you But ain't nobody need you like I do I know that there's others that deserve you But my darling, I am still in love with you

But I guess you look happier, you do

My friends told me one day I'd feel it too I could try to smile to hide the truth I know I was happier with you

Hey yeah hey yeah

Baby, you look happier, you do I knew one day you'd fall for someone new But if breaks your heart like lovers do Just know that I'll be waiting here for you
