Is it right - Elaiza

Is it right? Is it right? Is it right? Is it right? He's got a pen in his hand A piece of paper staring back He could run like a man Another life, back on track Maybe a drama or a poem But still he doesn't, no The time is ticking in his ear The lonely silence disappears Is it right or is it wrong? I can't go on, you can't go on If you say yes or even no You don't know how and where to go Is it right or is it wrong? I can't go on, you can't go on If you say yes or even no You don't know how and where to go Is it right? Is it right? She turns over and looks at him She tries to feel; she can't feel anything But it's so hard to say goodbye When you know that it's right So when it's all not what you thought And the friendship is not enough When you long to feel alive And the take the chance to give it up Is it right or is it wrong? I can't go on, you can't go on If you say yes or even no You don't know how and where to go Is it right or is it wrong? I can't go on, you can't go on If you say yes or even no You don't know how and where to go I know it's not easy to decide

To find your own direction
Oh the reach is high
But you can't hide
Is it right? Is it right?
Is it right or is it wrong?
I can't go on, you can't go on
If you say yes or even no
You don't know how and where to go
Is it right or is it wrong?
I can't go on, you can't go on
If you say yes or even no
You don't know how and where to go
Is it right or is it wrong?
I can't go on, you can't go on
