

Goodbye To Yesterday – Elina Born & Stig Rästa

I woke up at six am
My eyes were closed but my mind was awake
Pretended I was breathing in a deep sleep pace

Got dressed so quietly
I was frozen by the jingle of my keys at the door
As I got outside I smiled to the dog

I didn't wanna wake you up
My love was never gonna be enough
So I took my things and got out of your way now girl

Why didn't you wake me up
I'm pretty sure I would have told you to stop
Let's try again and say goodbye

Goodbye to yesterday

Oooo
Ooo

Why would you think like that
Yeah we fight a lot but in the end
You and I we're a perfect match

I wouldn't want it any other way
But now you're gone and I'm all alone
Lying here naked and staring at the phone

I didn't wanna wake you up
My love was never gonna be enough
So I took my things and got out of your way now girl

Why didn't you wake me up
I'm pretty sure I would have told you to stop
Let's try again and say goodbye

Goodbye to yesterday

I didn't wanna wake you up

My love was never gonna be enough

So I took my things and got out of your way now girl

Why didn't you wake me up

I'm pretty sure I would have told you to stop

Let's try again and say goodbye

Goodbye to yesterday

Goodbye to yesterday

Oooo

Goodbye to yesterday
