

# Powerful – Ellie Goulding

Oh my my my what you do to me  
Like lightning when i'm swimming in the sea  
From the very first time we loved  
From the very first time we touched  
Walking on wires and power lines  
You put your body on top of mine  
Everytime that you lift me up  
To the heaven and stars above

Oh lord of mercy  
I'm begging you please  
I'm feelin' drained i need love  
You charge me up like electricity  
Jumpstart my heart with your love

There's an energy  
When you hold me  
When you touch me  
It's so powerful  
I can feel it  
When you hold me  
When you touch me  
It's so powerful

There's an energy  
When you hold me  
When you touch me  
It's so powerful  
I can feel it  
When you hold me  
When you touch me  
It's so powerful

I couldn't leave if i wanted to  
Cause something keeps pulling me back to you  
From the very first time we loved

From the very first time we touched  
The stroke of your fingers  
The scent of your lingers  
My mind roaming wild  
The thought of your smile  
Oh you gotta give me some  
Or you can give it all  
But it's never enough no

There's an energy  
When you hold me  
When you touch me  
It's so powerful  
I can feel it  
When you hold me  
When you touch me  
It's so powerful

I can feel it  
When you hold me  
When you touch me  
It's so powerful

There's an energy  
When you hold me  
When you touch me  
It's so powerful  
I can feel it  
When you hold me  
When you touch me  
It's so powerful

I can feel it  
When you hold me  
When you touch me  
It's so powerful

When you hold me in your arms  
Burns like fire, electricity

When you're close i feel the sparks  
Takes me higher to infinity
