Sentimental Me – Elvis Presley

Sentimental me Guess I'll always will be So in love with you Say you love me too Sentimental me Dreaming while I live Living just to give All my love to you No one else will do Sentimental me Reaching for the moon Wishing on the stars On my honeymoon I want to be where you are Darling can't you see It was meant to be I'm in love with you Say you love me too Sentimental me Reaching for the moon Wishing on the stars On my honeymoon I want to be where you are Darling can't you see It was meant to be I'm in love with you Say you love me too Sentimental me
