## Love Me With All Your Heart – Engelbert Humperdinck

Love me with all of your heart That's all I want, love Love me with all of your heart Or not at all Just promise me this That you'll give me All your kisses Every winter, every summer, every fall When we are far apart Or when you're near me Love me with all of your heart as I love you Don't give me your love For a moment, or an hour Love me always As you've loved me from the start With every beat of your heart Just promise me this That you'll give me All your kisses Every winter, every summer, every fall When we are far apart Or when you're near me Love me with all of your heart as I love you Don't give me your love For a moment or an hour Love me always As you've loved me from the start
