

# Everybody Loves Somebody – Frank Sinatra

Everybody loves somebody  
Sometime  
Everybody falls in love  
Somehow  
Something in your kiss just  
Told me  
(That) My sometime is now  
Everybody finds somebody  
Someplace  
There's no telling where love  
May appear  
Something in my heart keeps  
Saying  
(That) My someplace is here  
If I had it in my power  
I'd arrange for every girl to  
Have your charm  
Then every minute, every hour  
Every boy would find what I've  
Found in your arms  
Everybody loves somebody sometime  
And although my dream was overdue  
Your love made it well worth waiting  
For someone like you
