

Strangers In The Night – Frank Sinatra

Strangers in the night exchanging glances
Wond'ring in the night
What were the chances we'd be sharing love
Before the night was through

Something in your eyes was so inviting
Something in your smile was so exciting
Something in my heart
Told me I must have you

Strangers in the night, two lonely people
We were strangers in the night
Up to the moment
When we said our first hello
Little did we know
Love was just a glance away
A warm, embracing dance away and

Ever since that night we've been together
Lovers at first sight, in love forever
It turned out so right
For strangers in the night

Love was just a glance away
A warm, embracing dance away

Ever since that night, we've been together
Lovers at first sight, in love forever
It turned out so right
For strangers in the night

Doo be doo be doo
Doo doo doo de da
