

Can I Have This Dance – High school musical

Take my hand, take a breath
Pull me close and take one step
Keep your eyes locked on mine
And let the music be your guide
Now won't you promise me, that You'll never forget
To keep dancing wherever we go Next

It's like catching lightning the chances of finding
Someone like you
It's one in a million,
The chances of feeling the way We do
And with every step together,
We just keep on getting Better
So can I have this dance
Can I have this dance

Even a thousand miles, Can't keep us apart
Cause my heart is wherever you are

It's like catching lightning the chances of finding
Someone like you
It's one in a million,
The chances of feeling the way We do
And with every step together,
We just keep on getting Better
So can I have this dance
Can I have this dance

Oh no mountains too high and no, oceans too wide
'Cause together or not, our dance won't stop
Let it rain, let it pour
What we have is worth fighting for
You know I believe, that we were meant to be

It's like catching lightning the chances of finding
Someone like you

It's one in a million,
The chances of feeling the way We do
And with every step together,
We just keep on getting Better
So can I have this dance
Can I have this dance
Can I have this dance
