

# Can I Have This Dance? – High school musical

Take my hand, take a breath  
Pull me close and take one step  
Keep your eyes locked on mine,  
And let the music be your guide  
Won't you promise me (now won't you promise  
Me, That you'll never forget)  
We'll keep dancing wherever we go next  
It's like catching lightning the chances  
Of finding someone like you  
It's one in a million, the chances of feeling  
The way we do  
And with every step together, we just keep  
On getting better  
So can I have this dance  
Can I have this dance  
Take my hand, I'll take the lead  
And every turn will be safe with me  
Don't be afraid, afraid to fall  
You know I'll catch you threw it all  
And you can't keep us apart  
(even a thousand miles, can't keep us apart)  
'Cause my heart is  
(cause my heart is) wherever you are  
It's like catching lightning the chances  
Of finding someone like you  
It's one in a million, the chances  
Of feeling the way we do  
And with every step together,  
We just keep on getting better  
So can I have this dance  
Can I have this dance  
Oh no mountains too high enough,  
No oceans too wide  
'Cause together or not, our dance won't stop  
Let it rain, let it pour  
What we have is worth fighting for

You know I believe, that we were meant to be  
It's like catching lightning the chances  
Of finding someone like you (like you)  
It's one in a million,  
The chances of feeling the way we do  
And with every step together, we  
Just keep on getting better  
So can I have this dance  
Can I have this dance  
Can I have this dance  
Can I have this dance
