

# Follow you – Imagine Dragons

You know I got your number, number all night  
I'm always on your team,  
I got your back alright  
Taking those, taking those losses  
If it treats you right  
I want to put you into the spotlight  
If the world would only know  
What you've been holding back  
Heart attacks every night  
Oh, you know it's not right  
I will follow you way down  
Wherever you may go  
I'll follow you way down to your deepest low  
I'll always be around wherever life takes you  
You know I'll follow you  
Call you up, you've been cryin',  
Cryin' all night  
You're only disappointed in yourself, alright  
Taking those, taking those losses  
If it treats you right  
I wanna take you into the sunlight  
If the world would only know  
What you've been holding back  
Heart attacks every night  
Oh, you know it's not right  
I will follow you way down  
Wherever you may go  
I'll follow you way down to your deepest low  
I'll always be around wherever life takes you  
You know I'll follow you  
Ba-da-da-da-da  
Da-da-da-da-da  
Ba-da-da-da-da  
You know I'll follow you  
La-da-da-da-da  
Wherever life takes you,

You know I'll follow you  
You're not the type  
To give yourself enough love  
She live her life, hand in a tight glove  
I wish that I could fix it,  
I could fix it for you  
But instead I'll be right here comin' through  
(Right here, comin' through)  
I will follow you way down  
Wherever you may go  
I'll follow you way down to your deepest low  
I'll always be around wherever life takes you  
You know I'll follow you  
Ba-da-da-da-da  
Da-da-da-da-da  
Ba-da-da-da-da  
You know I'll follow you  
La-da-da-da-da  
Wherever life takes you,  
You know I'll follow you
