The Number Of The Beast - Iron Maiden

"Woe to you, oh Earth and Sea,
For the Devil sends the beast with wrath,
Because he knows the time is short
Let him who hath understanding
Reckon the number of the beast
For it is a human number,
Its number is Six hundred and sixty six"

I left alone, my mind was blank I needed time to think, to get the memories from my mind

What did I see?
Can I believe that what I saw
That night was real and not just fantasy

Just what I saw in my old dreams Were they reflections of My warped mind staring back at me?

'Cause in my dreams it's always there The evil face that twists my mind and brings me to despair

The night was black, was no use holding back
'Cause I just had to see, was someone watching me
In the mist dark figures move and twist
Was all this for real, or just some kind of hell?

666 the number of the beast Hell and fire was spawned to be released

Torches blazed and sacred chants were praised As they start to cry hands held to the sky In the night the fires are burning bright The ritual has begun, Satan's work is done

666 the number of the beast

Sacrifice is going on tonight

This can't go on I must inform the law Can this still be real or just some crazy dream? But I feel drawn towards the chanting hordes They seem to mesmerise, can't avoid their eyes

666 the number of the beast 666 the one for you and me

I'm coming back
I will return
And I'll possess your body and I'll make you burn
I have the fire
I have the force
I have the power to make my evil take its course
