You're Beautiful - James Blunt

My life is brilliant
My life is brilliant
My love is pure
I saw an angel
Of that im sure
She smiled at me on the subway
She was with another man
But I wont lose any sleep on that
Cause iv got a plan

You're beautiful
You're beautiful
You're beautiful it's true
I saw you're face
In a crowded place
An I dont know what to do
Cause I'll never be with you
Yes she caught my eye
As I walked on by
she could see by my face that I was
Flying high
An I dont think that I'll see her again
But we shared a moment
that will last to the end

You're beautiful
You're beautiful
You're beautiful it's true
I saw you're face
In a crowded place
An I dont know what to do
Cause I'll never be with you

na na

na na

You're beautiful
You're beautiful
You're beautiful it's true
There must be an angel
With a smile on her face
When she thought up I should be with you

But it's time to face the truth I will never be with you
