

# Especially for You – Jason Donovan & Kylie Minogue

Ty Especially for you  
I want to let you know  
What I was Going through  
All the time we were apart  
I thought Of you  
You were in my heart  
My love never changed  
I still feel the same  
Ja Especially for you  
I want to tell you I was feeling that Way too  
And if dreams were wings, you Know  
I would have flown to you  
To be where you are  
Ty No matter how far  
R And now that Im next to you  
Ja No more dreaming about Tomorrow  
Forget the loneliness and the sorrow  
Ty I've got to say  
R It's all because of you  
And now were back together,  
Together  
I want to show you  
My heart is oh so true  
And all the love I have is Especially for you  
Ty Especially for you  
I want to tell you,  
You mean all the world to me  
Ja How I'm certain that our love was  
Meant to be  
You changed my life  
Ty You showed me the way  
R And now I'm next to you  
Ja I've waited long enough to find you  
I want to put all the hurt behind you  
Ty And I want to bring out the love

RInside you, oh and  
Now were back together,  
Together  
I want to show you my heart is oh so true  
And all the love I have is Especially for you

TyYou were in my heart  
My love never changed  
JaNo more dreaming about Tomorrow  
Forget the loneliness and the Sorrow  
TyI've got to say  
RIt's all because of you  
And now were back together,  
Together  
I want to show you my heart is oh so true  
And all love I have is Especially for you  
Together,  
Together  
I want to show you my heart is oh so true  
And all love I have is Especially for you  
Together,  
Together  
I want to show you my heart is oh so true  
And all love I have is Especially for you
