

Say You Love Me – Jessie Ware

Say you love me
To my face
I need it more
Than your embrace
Just say you want me
That's all it takes
Heart's getting torn
From your mistakes

'Cause I don't wanna fall in love
If you don't wanna try
But all that I've been thinking of
Is maybe that you might
Baby it looks as though
We're running out of words to say
And love's floating away

Just say you love me
Just for today
And don't give me time
'Cause that's not the same
Hmm want to feel burning flames
when you say my name
Want to feel passion flow into my bones
Like blood through my veins

'Cause I don't wanna fall in love
If you don't wanna try
But all that I've been thinking of
Is maybe that you might
And baby it looks as though
We're running out of words to say
And love's floating away

Won't you stay?
Won't you stay?

Slowly, slowly you run for me
But do you know me at all?
Someone told me love controls everything
But only if you know

No no no no no
Just try sometimes
I just think
You might

'Cause I don't wanna fall in love
If you don't wanna try
But all that I've been thinking of
Is maybe that you might
Baby it looks as though
We're running out of words to say
And love's floating away
Won't you stay?
Won't you stay?
