## Ordinary people – John Legend

Girl, I'm in love with you This ain't the honeymoon Past the infatuation phase Right in the thick of love At times we get sick of love It seems like we argue everyday I know I misbehaved And you made your mistakes And we both still got room left to grow And though love sometimes hurts I still put you first And we'll make this thing work But I think we should take it slow We're just ordinary people We don't know which way to go 'Cause we're ordinary people Maybe we should take it slow Take it slow This time we'll take it slow Take it slow This time we'll take it slow This ain't a movie, no No fairy tale conclusion yall It gets more confusing everyday Sometimes it's heaven sent Then we head back to hell again We kiss then we make up on the way I hang up your call We rise and we fall And we feel like just walking away But as our love advances We take second chances Though it's not a fantasy I still want you to stay We're just ordinary people We don't know which way to go

'Cause we're ordinary people Maybe we should take it slow Take it slow This time we'll take it slow Take it slow This time we'll take it slow Take it slow Maybe we'll live and learn Maybe we'll crash and burn Maybe you'll stay Maybe you'll leave Maybe you'll return Maybe another fight Maybe we won't survive But maybe we'll grow We never know Baby, you and I We're just ordinary people We don't know which way to go 'Cause we're ordinary people Maybe we should take it slow We're just ordinary people We don't know which way to go 'Cause we're ordinary people Maybe we should take it slow Take it slow This time we'll take it slow Take it slow This time we'll take it slow Take it slow, slow This time we'll take it slow Take it slow This time we'll take it slow
