

Ritual – Jonas Blue ft. Rita Ora

Too high, too deep
It's you, it's me
Too wild, too free, oh, yeah
One thing to me
Three words, I speak
When you're with me, babe
Oh, come on, come on
However I act, you know how much I care
Come on, come on
You know what I want, now meet me if you dare
Love on the run, love on the run, run
Do anything to be there, be there
And I'm always singing it like a prayer
Oh, when you touch me there
Oh, you'll always be my ritual
Always, love you all through the night and
Be there when the sun is rising
Oh, you'll always be my ritual
Oh, you'll always be my ritual
Oh, you'll always be my ritual
You worship me
Beneath the sheets
All love unique, and even when
You leave my bed, you're in my head
You're all I need
Oh, come on, come on
However I act, you know how much I care
Come on, come on
You know what I want, now meet me if you dare
Love on the run, love on the run, run
Do anything to be there, be there
And I'm always singing it like a prayer
Oh, when you touch me there
Oh, you'll always be my ritual
Always, love you all through the night and
Be there when the sun is rising

Oh, you'll always be my ritual
Oh, you'll always be my ritual
Oh, you'll always be my ritual
So come on, come on, come on, come on, come on, babe
So come on, come on, come on, come on, come on, babe
Oh, love on the run, love on the run, love on the run,
Babe
Oh, anywhere, be there, with you
And I'm always singing it like a prayer
Oh, when you touch me there
Oh, you'll always be my ritual
Always, love you all through the night and
Be there when the sun is rising
Oh, you'll always be my ritual
Always singing it like a prayer
Oh, when you touch me there
Oh, you'll always be my ritual
Always, love you all through the night and
Be there when the sun is rising
Oh, you'll always be my ritual
You'll always be my ritual
