

# Love will tear us apart – Joy Division

When routine bites hard and ambitions are low

And resentment rides high

But emotions won't grow

And we're changing our ways,

Taking different roads

Love, love will tear us apart again

Love, love will tear us apart again

Why is the bedroom so cold

Turned away on your side?

Is my timing that flawed,

Our respect run so dry?

Yet there's still this appeal

That we've kept through our lives

Love, love will tear us apart again

Love, love will tear us apart again

Do you cry out in your sleep,

All my failings exposed?

Get a taste in my mouth

As desperation takes hold

Is it something so good

Just can't function no more?

But love, love will tear us apart again

Love, love will tear us apart again

Love, love will tear us apart again

Love, love will tear us apart again
