## What Goes Around Comes Around – Justin Timberlake

Hey, girl, is he everything you wanted in a man?

You know I gave you the world

You had me in the palm of your hand

So why your love went away

I just can't seem to understand

Thought it was me and you, babe

Me and you until the end

But I guess I was wrong

Don't want to think about it

Don't want to talk about it

I'm just so sick about it

Can't believe it's ending this way

Just so confused about it

Feeling the blues about it

I just can't do without ya

Tell me, is this fair?

Is this the way it's really going down?

Is this how we say goodbye?

Should have known better when you came around

That you were gonna make me cry

It's breaking my heart to watch you run around

'Cause I know that you're living a lie

That's okay, baby, 'cause in time you will find

What goes around, goes around, goes around

Comes all the way back around

What goes around, goes around, goes around

Comes all the way back around

What goes around, goes around, goes around

Comes all the way back around

What goes around, goes around, goes around

Comes all the way back around

Now girl, I remember everything that you claimed

You said that you were moving on now

And maybe I should do the same

Funny thing about that is

I was ready to give you my name Thought it was me and you, babe And now it's all just a shame And I guess I was wrong Don't want to think about it Don't want to talk about it I'm just so sick about it Can't believe it's ending this way Just so confused about it Feeling the blues about it I just can't do without ya can you tell me, is this fair? Is this the way it's really going down? Is this how we say goodbye? Should have known better when you came around And now it's breaking my heart to watch you run around 'Cause I know that you're living a lie That's ok, baby, 'cause in time you will find What goes around, goes around, goes around Comes all the way back around What goes around, goes around, goes around Comes all the way back around What goes around, goes around, goes around Comes all the way back around What goes around, goes around, goes around Comes all the way back around, yeah What goes around comes around Yeah What goes around comes around You should know that What goes around comes around Yeah What goes around comes around You should know that Don't want to think about it Don't want to talk about it I'm just so sick about it Can't believe it's ending this way Just so confused about it Feeling the blues about it
