

# The One That Got Away – Katy Perry

Summer after high school  
when we first met  
We make out in your Mustang  
to Radiohead  
And on my eighteen birthday  
we got matching tatoos  
Used to steal your parents' liquor  
and climb to the roof  
Talk about our future  
like we had a clue  
Never plan that one day  
I'd be losing you  
And in another life  
I would be your girl  
We keep all our promises,  
be us against the world  
And in another life  
I would make you stay  
So I don't have to say you were  
the one that got away  
The one that got away  
I was dreaming you were  
my Johnny Cash  
Never one, we got the other,  
we made a pact  
Sometimes when I miss you,  
I put those records on, whoa  
Someone said you had your  
tattoo removed  
Saw you downtown singing the blues  
It's time to face the music,  
I'm no longer your muse  
And in another life  
I would be your girl  
We keep all our promises,  
be us against the world

And in another life  
I would make you stay  
So I don't have to say you were  
the one that got away  
The one that got away  
The oooooooooone,  
The oooooooooone,  
The oooooooooone  
The one that got away  
All these money can't  
buy me a time machine, no  
Can't replace you  
with a million rings, no  
I should've told  
you what you meant to me, whoa  
'Cause now I pay the price  
In another life  
I would be your girl  
We keep all our promises,  
be us against the world  
And in another life  
I would make you stay  
So I don't have to say you were  
the one that got away  
The one that got away  
The oooooooooone,  
The oooooooooone,  
The oooooooooone  
And in another life  
I would make you stay  
So I don't have to say you were  
the one that got away  
The one that got away
